

Daily Prayer for — all God's Saints, those working in His fields and more

I called upon You, Father, God for you to intervene in my day today, and every day. Intercede in my day; have **Your Way**; raise up **Your Hedge** of protection higher around me, and have **Your Way**; so that *Thee Enemy*, The Devil, Demon, Satan or by any name the same, no matter their name or names, be cut-off from me; so I am enabled and empowered to fulfill what You have remaining in Your Will for me. **Amen.**

And, I ask that You do the same for all Your Saints, all those You have working in Your Fields, and all those You've called to Your Fields.

Intervene, and have **Your Way for them, for their families, their love ones, those near and dear to them, and their congregations.** Intervene for each, and every one of them, for them all; So, that **Thy Will** has the victory for every one of them, as persons, and as Souls, in their remaining time on The Earth, and beyond. That, **Thy Will** has thee victory; and *Thee Enemy*, The Devil, Demon, Satan or by any name the name is defeated. **Amen.**
