

God's Answers And The Book Are Gifts

God answers Prayers.

And, *He* has answered us all, individually and collectively,
beginning with *His Answers* to one individual, *His Answers* to me.

Read *His Answers* in the published book:

GOD'S ANSWERS: *A Compilation Of God's Answers To America, Americans, The Church, Humans, Thee Human Family, And Every One Of Us Individually*

The digital version of this 684 page book is a gift, immediately available to you on this website. It is in PDF format; which you may read online, or *download*, and read off-line.

About These Gifts, Especially The Book Not For Sale

This book was not originally written, or compiled, to be a gift. It was after all the work was done; and I was still confronted with some major challenges, and having to make final decisions about them, that I received **Father's, God's Word, it was not for sale. It was not to be sold.** It took awhile for me to fully embrace and understand this *Word*; but, once I did so, it made perfectly good sense. And, it solved all the outstanding challenges that were too much for me to take on, after all I had been through just to reach the point of an imperfect draft of the book.

Father's, God's Perspective, And I Grew To Love It

As with all *He* does, it was, and it is perfect. His Perspective set me free, once I ceased trying to have it my way.

Why not for sale?

- 1) **Father, God** does not give long answers to Prayers. Answered Prayers are succinct. As a result, my Prayer notes are very brief; and had to be transcribed for others, in order to fill in the gaps between what mostly *was not written*, and *the little that was written*. And,

- 2) some of the contents of the book are Prayer notes *without* any changes. This would have created a nightmare of an editing project, if I was to have had a publisher take on the book to publish it.
- 3) Being an imperfect draft of the book *disqualifies* it for sale and distribution.
- 4) No reasonable sale price would have come anywhere near representing the true value of the book's contents; for they are truly **God's Answers**, His Word upon the subjects and matters contained in it.

And last, but not least ~ these answers, **Father's, God's Answers** were gifts to me. He gave them to me, without me paying money for them; and He did not bestow them upon me for only me. He blessed me with them, so others could be, and would be, blessed by them, through me bestowing them upon others. Thus, all who are willing to receive this book's contents as **God's Answers**, are receiving what **Father, God** bestowed upon me, as He bestowed it, and not for money. It is a gift, out of love, due to love, and through love that made it possible, His Love for me, and for all His Creation..

Thee Father's Love for me, and my love for Him and for that which is His~ Life, Love, Thee Truth, Thee Light and The Way of It –

His Answers are given only as a **gift**, only out of **love**, due to **love**, or not at all ~ **the love of Thee Father**, our Heavenly Father, and what **He** call us to, **His Will**, **not ours**

Sincerely,
Kathleen B. Davis

In Service To Father, God, Thee Almighty
