

Look To God For The Answers, Go To Him And Learn Thee Truth

Whether an individual, a person, a people, a nation of “the people,” or all humanity, look to Father, God for thee truth about your suffering, about thee end to it, and about any matter.

For Thee Truth About Your Suffering, And For Thee End To It, Look to Father, God.

Look not to thee Enemy for it, or for thee end to it.
Do not see as thee Enemy sees!
Because, thee Enemy, Hell's intends that it never ends, or that it ends according to them, as favored by them, if left up to them.

So, don't look to thee Enemy for help to end it, for *Thee End*, or for thee truth about it.
Look *not to* King Sennacherib of Assyria, Goliath, the Midianites, Pharaoh of Egypt, the reports of the 10 spies, Queen Jezebel, or any enemy.

Whether an individual, a person, a people, a nation of “the people,” or all humanity, to know thee truth of your real life's progress, and your real life's position, go to Father, God for the answers, and receive thee truth, and the empowerment of it.

Look To Father, God For The Answers, For Thee Truth

Look to Father, God for the Answers, for thee truth,
For the enlightenment and understanding, for the knowledge and wisdom.
Look *not to* thee enemy for it.
Look *not to* the world's, or the world, for it.
And, look *not to* solely, wholly depending upon, and trusting other people for it.

God's Word And Revelations About Enemies And Thee Truth:

For, Father's, God's Word and Revelations about enemies being a source of thee truth is, Enemies don't know thee truth; and do not see as thee enemy sees:

For, not only enemies will not tell their victims, their intended targets thee truth; but far more so, enemies do not know thee truth. The enemy, even thee worst of enemies, Hell's unseen members, The Devil, Satan, demons or by any name the same, does not know thee truth. Thee truth is only known by God, Thee Almighty, and known by those, to whom He reveals it. And, the illustrated cases of enemies He named, as evidence, are the cases of Pharaoh of Egypt, Goliath the giant Philistine and Queen Jezebel.

His Revelations about them:

If Pharaoh of Egypt, or Goliath had known thee truth of what would actually be the outcome of what they planned to do to God's people, neither of them would have come out that day. They would have come no where near His people at that time. Both, Pharaoh of Egypt, and Goliath, only came out to do what they plotted to do, because, they were wholly persuaded they had the only say, and thus, the final say about what would be the outcome. They were wholly persuaded, the lies they believed were thee truth, and that it was all there was to it all. But, oh, how wrong they were, both of them.

It never crossed the minds of either of them, that they could end-up losing their lives instead. It never crossed their minds, that they would not get to do any of the harm they plotted, and threatened, not any of it. And, it surely did not enter into Pharaoh's mind, or the mind of Goliath, that they would not get to lay one finger on those they intended to wholly eliminate. Father, God said, if either of them, Pharaoh or Goliath, had even suspected what might have been thee truth of what would be the outcome, for real, neither of them would have left home, or would have been anywhere near the people of Israel.

Thee Worst Way Of All To See

God's Word: Thee Worst Way Of All To See:

Thee worst way of all to see, is as Hell's, thee enemy sees and believes.

*Seeing Hell's Unseen members (The Devil, demons, Satan or by any name the same),
thee Enemy as they see themselves, and believing them, will cause me, or anyone, to see
thee worst of all, be the most discouraged of all, feel thee worst, believe thee worst –
about self, about my hope, about my life's worth, about my future, about my happiness,
about who I am, and about my self's worth.*

*But, the worst of all of it is:
It will all be based upon Lies, even all of it solely upon lies,
The lies they believe,
The lies they want me, and others, to also believe.
Because, it gives them the advantages, power and control they seek to gain, and
maintain, over those they victimize, target and prey upon.*

*Because, it will strip me of all value, of all life's good, of all life's values, of all life's
goods having any value, of all life's good's being possible, or possibly attainable for me.
It will strip me of all living, and hope for it.*

*It will strip me of any, and all hope, possibility and encouragement for any of it to
change, for better.*

*It will discourage my faith, trust and confidence in Father, God, and that which is His,
and leave me with nothing but trash, garbage, junk and refuse, Hell's deaths, darkness,
pain, misery, grief and suffering – all that is theirs.*

*And, thee worst of it all is, all of it will be lies, and, or based upon lies.
For, they don't know, or believe thee truth.*
